In a nonstick frying pan, melt margarine on medium low heat. Cook apple slices for 5 minutes. Put aside in a bowl.

In the same frying pan, add corn syrup and mint; cook a few minutes. Add cheese, yogurt and orange rind, mix well. Let cool.

Place a bit of cheese and one apple slice on 4 pastry circles. Cover with another pastry circle, cheese and apple slice. Cover with last circle, sprinkle with icing sugar and garnish with toasted almonds. [ 4 servings ]

Sweeteners contribute to the tender qualities of a cake, but remember that you cannot substitute granulated sugars for powdered sugars. Use granulated for baking, powdered for frostings and glazes.
