Chop orange peels fine; mix with sugar; cook slowly over low flame about 10 minutes or until a small quantity dropped into cold water forms a soft ball. Add vanilla; blend thoroughly. Remove from fire; cool; shape into small balls about the size of a small walnut. Roll in sugar; dip in finely chopped nuts.

When peeling Navel oranges try using a tablespoon instead of a knife. It is faster, leaves far less peel, and simple enough to teach your kids.
