

This is a great dessert. Wonderful when you add raspberries on top with a scoop of your favorite ice cream. I hope you enjoy this one as much as I did.

Fill pear halves with this mixture. Place in baking dish. Pour sherry over pears; bake in a medium oven for about 15 minutes, or until pears are done but not too soft.

Serve either very hot or cooled, as preferred. Serves 6 to 8.

When a cake recipe calls for flouring the baking pan, use a bit of the dry cake mix instead -- no white mess on the outside of the cake.
