Beat egg whites until soft peaks form and add to batter. Cook thin crepes in a nonstick frying pan, using up all the batter.

Spread raspberry jam and stack them. Sprinkle crepe with icing sugar. With a red hot steel skewer, make lines on icing sugar. [10 servings]

After making coffee, place the grounds in a plastic container, uncovered. Place in refrigerator. It removes odors better than baking soda does and you can recycle instead of throwing the grounds out.
